

ADOPT-A-PARK & LEAVE-A-MARK

Do you ever notice some little area in your community that could look a whole lot better if only somebody bothered to care for it once in a while? Ever wonder how good you would feel if you were that somebody?

This could be your chance to find out how rewarding caring for your community can be.

Whether you are one person or a member of a group, you can Adopt-a-Park. It can be a team building exercise, neighborhood, business, civic league, a small association, or one of the largest organizations in the city. All that's important is you agree that you are ready to contribute to the beautification of our PARKS!
